- Fanless !

Like Zotace ION ITX A-E, but with ATX-power connector instead of onboard power supply !

Experience fluid and vivid high-definition video playback with the ultra-compact ZOTAC® ION platform. The mini-ITX form factor ZOTAC® ION combines a high-performance NVIDIA® ION graphics processor with a power-efficient Intel® Atom processor for the ultimate eco-friendly platform that has no troubles handling regular web browsing, e-mail, & productivity and HD video playback tasks.

NVIDIA® PureVideo HD technology harnesses the power of the ION's 16 high-speed stream processors for high-definition Blu-ray playback capabilities. PureVideo HD technology decodes HD video formats and enhances standard-definition videos with the ION GPU for flawless HD and superior SD video playback.
